

# Double Sided Business & Political Yard Signs

Screen printed on .022 Outdoor water-resistant board. This paper is permeated with a waxlike substance which gives it great resistance to rain and bad weather. This is the sign for local politicians running for office. Three different sizes to choose from. Wire is included in the price. We will score the sign and glue the sides together. They ship ready to slip over the wire. No Bleeds, print must remain 1/2 in. from edge.

No Set-ups or Screen Charges, with furnished art.

# Plastic Corrugated Yard Signs

No Set-ups or Screen Charges, with furnished art.

You've seen them, they are everywhere lately...

Screen printed on your choice of white opaque or yellow 3/16 inch thick plastic corrugated plastic, totally impervious to the weather. This sign is an unbelievable business builder. Excellent for builders, contractors, special events. Each sign comes with a zinc plated 1/8 inch rod "H" wire, which easily fits up into the flutes of the sign, for a tight fit. At 24 x 18 inches, it is easily seen from the road, if you keep your message bold & simple. No bleeds, print must remain 1/2 inch from edge.

**24w x 18h inches**
